

which Mr. Tydings prepared for me are the 2 which are attached as Exhibits to the Complaint in this case.

3. I further asked Mr. Tydings to provide me with a list of all of those people or entities which own property which is adjacent to the property owned by my husband and myself. The list of adjoining property owners which Mr. Tydings prepared for me is attached to the Complaint as Exhibit C. Mr. Tydings' investigation revealed the following owners of property which bound the property owned by my husband and myself: Arthur Lee Sexton; Samuel C. Eyler and Anna Ruth Eyler, his wife, and Arthur S. Angleberger; Ski Round Top, Inc.; and The Town of Emmitsburg.

4. I know of no other parties who own property adjacent to the property owned by my husband and myself which is the subject of this case. Furthermore, I am generally familiar with the property and I know that the property is bounded by four (4) separate parcels of ground. Based upon my knowledge of the property and surrounding properties, it is my personal belief that my property is bounded only by four (4) properties, and that the owners of the said four (4) properties are those which are set forth in paragraph 3 above.

5. I know of no other persons or entities other than the aforementioned adjoining property owners which have any reason to have any interest in the outcome of this suit. I know of no persons or entities which may have an interest in the property owned by my husband or myself, and I have not been made aware of any such person or entity claiming any such interest.
